

*JLG*

**PATENT APPLICATION**

providing means for feeding a flow comprising residual carbamate in aqueous solution from said second stripping unit to said recovery section.--

**REMARKS**

Claims 1-6 inclusive have been cancelled since they were directed to the invention elected in the parent application.

Claim 13 has been amended to delete the multiple dependencies therein. Claim 15 has been added which is identical to claim 13 but dependent from claim 12.

An early and favorable action on the merits is respectfully requested.

Respectfully submitted,

Robert V. Sloan  
Reg. No. 22,775
